## DETAILED ACTION

## Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

- 2. Claims 17, 18 and 31 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
- 3. In claim 17, 18 and 31, the term "whose" is improper, misplaced and should be deleted. The language "dissolved in a solvent, water or a water/alcohol mixture" is a double inclusion. The language contains simultaneously narrow and broad limitations that make it difficult to determine the scope of the claim. Please correct.
- 4. Claims 19-30 and 32-41 are object to for depending on rejected base claim. A translation has been requested for JP 61-034083, published 02/18/2006.
- 5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert D.
